

# Hyundai i20

**I think,  
therefore i20.**

There are times in life when being impulsive is the best thing you can do: turning left instead of right, jumping right in, taking a surprise road trip – but when it comes to choosing a car – there's a lot more to it. The New i20 comes with everything you could ask for in a new car – from expressive design and state-of-the-art safety features to seamless connectivity and an extra roomy interior. So if you're thinking about buying a new car, think twice about the perfect package: the fully-equipped New i20.

## Beauty is in the eye of the thinker.

With its eye-catching two-tone roof and fresh new design, the New i20 really stands out from the crowd. The expressive exterior now features new boldly sculpted bumpers and Hyundai's signature Cascading Grille – which is framed by sleekly sweeping headlights with a unique LED light signature. The sporty fog lights and the new 16" alloy wheels complete the dynamic look and further add a touch of athletic attitude.

## Makes your brain beat faster.

With its sharper design and vivid detailing, the New i20 stands out with a fresh new look and a panoramic sunroof so you can let the sun in and see more of the world around you. In the back, the crisp design of the blacked-out C-Pillar and rear spoiler emphasizes the stylish character. And the bold new LED rear lamps combine top visibility with a unique light signature for a confident look.

## Follow your brain and go for the perfect package.

So now you have time to think about it. Its good looks will have heads turning – but it's also the combination of sophisticated technologies and seamless connectivity that makes the New i20 the perfect package. We like to think it's a no-brainer, but don't take our word for it, just stop by your local Hyundai dealership for a test drive and experience the difference yourself. Or visit our website and explore the possibilities online.

## Well thought-out in every detail.

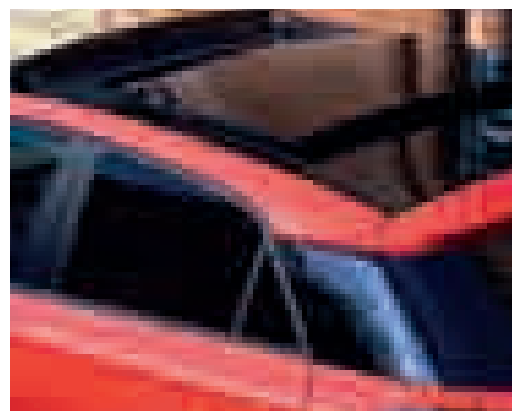

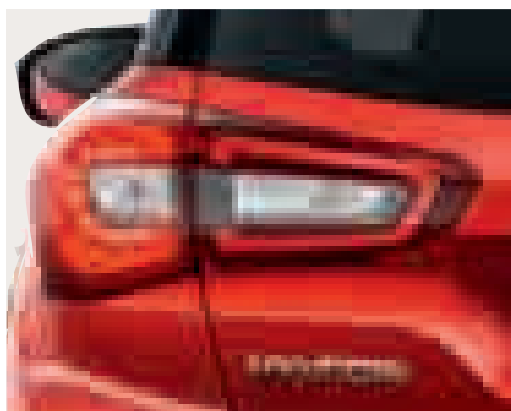

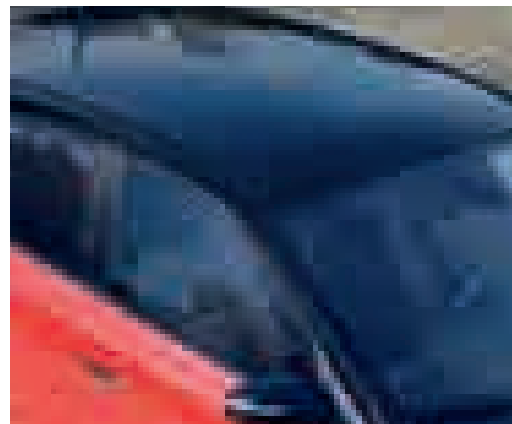

The New i20 makes a statement with one-of-a-kind details that express the sensuous sportiness of Hyundai's latest design language.

New Cascading Grille and LED light signature

New LED rear lamps and rear fog lights

Front headlamps with LED light signature  
LED rear lamps

Two-tone roof  
Glossy black C-Pillar

New 16" alloy wheels

## Makes your smartphone smarter.

The New i20 provides you with the kind of seamless connectivity you expect from a clever car. Ideally located for optimal access, the new 7" touch screen supports Apple CarPlay™ and Android Auto™ so you can connect your phone and have your music, phone and app functions up on the big screen. Conveniently located AUX-in and USB ports also provide easy connectivity and fast charging.

Apple CarPlay™ is a registered trademark of Apple Inc. Android Auto™ is a registered trademark of Google Inc.

Convenient Aux-in and USB ports

7" touch-screen display with Apple Carplay™ and Android Auto™

## Get comfortable in style.

The New i20 offers a winning combination of outstanding roominess and a stylish choice of interiors for a look that is as fresh inside as it is outside. The new Red and Blue Point interior patterns feature accent stitching on the seats, steering wheel and shifter for an even more distinctive look. Offering space, style and refinement that is hard to find in a compact car, the cabin exudes a high-quality atmosphere. The sporty heated steering wheel features ergonomically positioned controls so you can stay connected and in control.

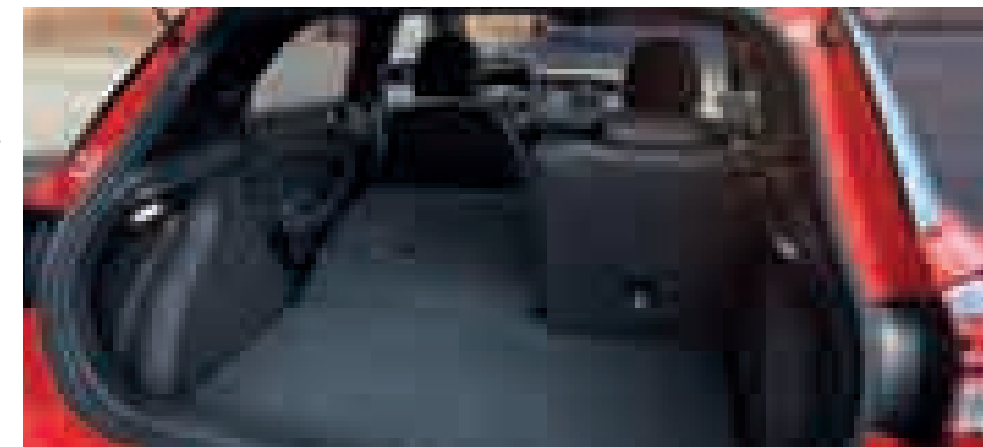

Hello Sunshine! The panoramic sunroof slides open wide so you can let the sun in and see more of the world around you.

## Leaves room to think.

In our thinking, space isn't a luxury. It's a must. That's why the New i20 provides some of the best legroom in its class, with outstanding roominess for five adults. Or if you need to load something bulkier – the 60:40 split-rear seats can easily be folded completely flat. This increases the trunk capacity from 326 litres to 1042 litres (VDA), which gives you a whole lot of uncompromised space.

Extra roomy trunk with 60:40 split-rear seats.

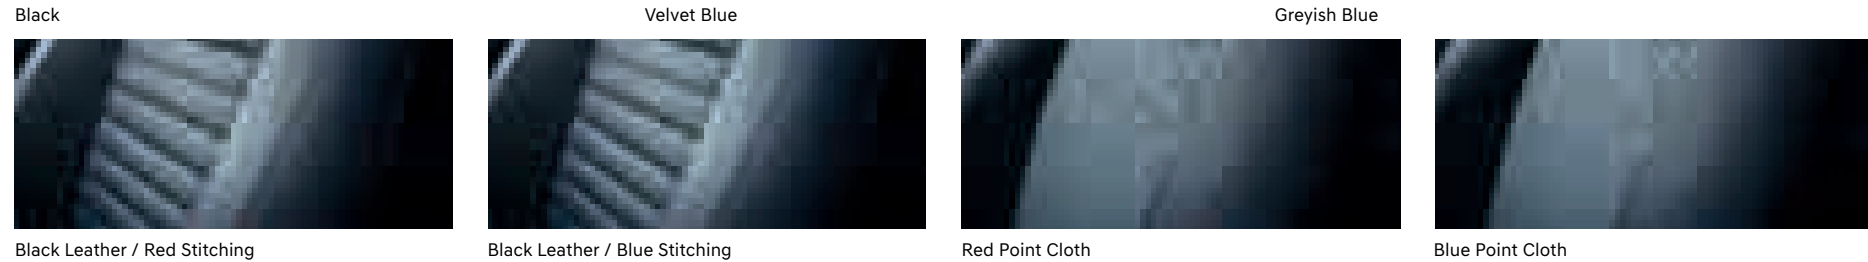

# Shifts gears smoothly. And mind-sets.

People used to think you needed a big engine to get good performance. That mind-set has shifted. One of the highlights of the New i20 is the sporty and economical 1.0 T-GDI engine, which delivers 120 PS and 171 Nm and provides a perfect combination of dynamism and efficiency. It is available with a new 7-speed dual-clutch transmission (7DCT), which combines the fuel efficiency and driving fun of a manual transmission with the convenience of an automatic transmission.

Available with a smooth-shifting 7-speed dual-clutch transmission.

## With you all the way

Driving your new i20 away from the showroom is just the start of a long and happy relationship. We've prepared a number of programmes to make sure it stays that way.

### Hyundai Genuine Accessories

Nothing fits better than a Hyundai Genuine Accessory. Designed and engineered to enhance the looks and capabilities of your i20, and meet the rigorous manufacturing standards demanded of all Hyundai products.

### 5 Year Unlimited Mileage Warranty

Living proof of our faith and trust in our products is our 5-year new vehicle warranty which comes without any mileage restrictions.

### Waxoyl

Motors Inc. recommends a full Waxoyl package on all newly acquired models. This package consists of 120-4 Cavity Protector, Underbody Protector, Motor Care Engine Protection, UPT Fabric Protector and 100+ paint sealant effectively giving you a 12-year anti-perforation warranty on your new car.

Waxoyl complements the manufacturer's warranty and will help to maintain the new look of your car for many years to come, thus protecting your investment and enhancing its future resale value.

The Hyundai 5 Year Unlimited Mileage Warranty applies only to Hyundai vehicles that have been originally sold by an authorized Hyundai dealer to an end-customer, as set out in the terms and conditions of the warranty booklet.

All the information contained in this brochure is provisional and subject to change without notice and is intended only as preliminary notification. Possible variations in the representation of vehicle colours are due to the limitations of printing technology. The products shown correspond to the offer and the range of equipment for European markets. The vehicles shown in this brochure may be equipped with additional equipment at extra cost, and not all model versions are included in this brochure. Hyundai Motor Europe reserves the right to make changes to technical specifications and equipment content without notice. Please consult your Hyundai dealer for exact details.
